UNBEATABLE!

Circuits Assembly has presented PVA with their third consecutive Service Excellence Award in the dispensing equipment category. This makes PVA the only winner in the award category's three year history. PVA's 4.7 score out of a possible 5.0 in 2002 claimed honors as the highest overall score for electronics assembly equipment suppliers across all industries surveyed. Just look at what our world wide customers had to say:

- ▲ "Never have any down time. Just bought another PVA3000. They have been great to work with and have fixed any problem."
- ▲ "We very rarely have any trouble with the equipment and when we do they respond quickly."
- ▲ "PVA surpasses all other companies I have dealt with. Their service, reliability and overall business practices have made them my first choice."
- ▲ "They never deliver late. They are always on time."
- ▲ "The equipment is exceptionally easy to program and modify."
- ▲ "PVA has consistently delivered above and beyond expectations."

For more information on PVA's dispensing capabilities, please contact one of our sales representatives at (518) 371-2684.
