Adjustable Column Press....

Quality and Performance and Value

For small work and small budgets

Fancort's new adjustable column press is designed for light assembly work requiring less than 800 lbs. of pressure. It has a small footprint, side mounted controls and keyway for quickly mounting tools, making it a very user friendly press which won't break your budget.

Key Features:

- Solid steel column with 9" of throat adjustment
- 8" x 6" base with keyway and two bolts for tool mounting
- Two-hand safety, filter/regulator and speed control
- 3.5" bore cylinder; 800 lbs at 100 psi
- 3" stroke, double acting cylinder
- Male rod threaded with 3/4-16 tpi w/nut
- Measures 9" x 10" x 16"
- Weighs 47 lbs.
