

# SMT LEAD FORM & TRIM

# Solutions

## Lead Cutters for Flatpacks, Quadpacks, MCMs, DIPs & Connectors.... ...More Choices, More Performance

### Flatpacks & Quadpacks— Adjustable

Adjustable single-sided trim tool for packages up to 3.0" L; adjusts to various case sizes with moveable nests. Minimum cut length .080". Tapered shear to eliminate stress. Larger model available. [P/N F-3A](#)

### Adjustable Two-Sided Lead Cutter

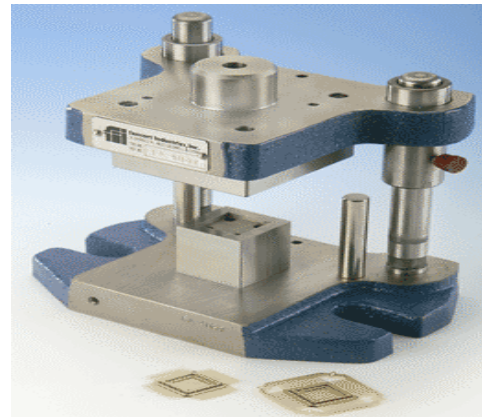

Cuts two sides of a flatpack or quadpack at one time with precision lead screw adjustment and digital readout.
